INSTITUTE OF PUBLIC UTILITIES Regulatory Research and Education

MICHIGAN STATE UNIVERSITY

THE INSTITUTE OF PUBLIC UTILITIES presents the
2016 MICHIGAN FORUM on
ECONOMIC REGULATORY POLICY
February 26, 2016 | Kellogg Center, MSU

ABOUT THE FORUM
The 2016 Michigan Forum will be held this year on Friday, February 26, 2016 at the Kellogg Center on the campus of Michigan State University. This year’s forum will focus on how Michigan is meeting the challenge of clear, reliable, and affordable energy and feature speakers from various stakeholder perspectives.

The Forum is a one-day conference designed specifically by the Institute of Public Utilities for the Michigan Public Service Commission (PSC), the Michigan State Legislature, the Offices of the Governor and Attorney General, consumer and environmental advocates, utility industry representatives, and others interested in Michigan regulatory policy. The Forum is sponsored by the Institute of Public Utilities (IPU) in partnership with the Institute for Public Policy and Social Research (IPPSR), and the program is developed in collaboration with the Commissioners and staff of the Michigan PSC.

REGISTRATION
The Michigan Forum fee for the private sector is $120. The fee for the non-profit sector and for municipal utilities is $40.00. The Forum is free for all Michigan legislative and Public Service Commission staff. Lunch and coffee will be provided. Space is limited, so please register early. To register, please contact IPU at ipu@msu.edu or 517.355.1876.

ABOUT THE INSTITUTE
The Institute of Public Utilities supports informed, effective, and efficient regulation of the infrastructure-intensive network industries providing vital utility services. We fulfill our mission by providing to the regulatory policy community integrative and interdisciplinary educational programs and applied research on the institutions, theory, and practice of modern utility regulation. The Institute is an independent, nonprofit educational and research unit of Michigan State University.
