Attendees planning to earn continuing education credits must complete, sign, and turn in an attendance record. IPU programs are approved for continuing professional education (CPE) credits for accountants. IPU will provide all attendees seeking continuing education credits (CPE, CLE, engineering, other) with a letter of attendance. However, attendees seeking other than CPE (accounting) credits must file applications with their respective accreditation bodies and IPU will provide supportive documentation as needed.

Attendees from the public and nonprofit sector will also earn credit toward a Certificate of Continuing Regulatory Education (CCRE). Please visit [ipu.msu.edu/CCRE](http://ipu.msu.edu/CCRE) for details.

## Program evaluation

Your feedback is important to us. Daily and overall evaluation forms will be provided. Please complete them at your convenience during the program. If you have any problems or concerns during the program, please feel free to bring them to the attention of the program faculty or staff.
