
CURRENT APPOINTMENT

PROFESSOR AND RESIDENT FELLOW AT THE INSTITUTE OF PUBLIC UTILITIES, MICHIGAN STATE UNIVERSITY. IPU Director (April 2002 to August 2023). Professor of Political Science (tenured in 2018, affiliated since 2003). Adjunct Professor of Economics (2006 to present) and Law (2005-2006). The Institute is self-sustaining and supports informed, effective, and efficient regulation of the infrastructure-intensive network industries that provide essential electricity, natural gas, water, and broadband services. Dr. Beecher designs curricula, selects program faculty, manages operations, and delivers core lectures for the Institute's nationally and internationally recognized educational programs; leads IPU's applied research program, supervises graduate research assistants, and oversee publishing; and is responsible for all aspects of IPU's institutional development, funding, marketing, and communications.

EDITOR-IN-CHIEF. *Journal of Utilities Policy*, Elsevier (2014 to present). Associate Editor (2013).

EDUCATION

PH.D. NORTHWESTERN UNIVERSITY. Political Science (Aug. 1986).

Fields: Public Policy (major), Political Behavior & Institutions, Law & Politics, Urban Politics.

Dissertation: *Uncertain by Design: A Structural Theory of Regulation by the State Public Utility Commissions*.

Awarded University scholarships, fellowships, and assistantships (1979-1983).

M.A. NORTHWESTERN UNIVERSITY. Political Science (Aug. 1980).

M.A. Thesis: *When Governments Intervene: The Adoption of Regulatory Policy in the American States*.

B.A. ELMHURST COLLEGE (UNIVERSITY). Economics, Political Science, and History (June 1979).

Freshman scholar. Phi Kappa Phi. Graduated with highest honors.

AREAS OF EXPERTISE AND INTEREST

- ❑ Governance and regulation of infrastructure networks and essential services
- ❑ Economic regulatory paradigm, principles, and practices
- ❑ Social dimension of network services and the regulatory compact
- ❑ Regulatory institutions, politics, culture, ethics, and reform
- ❑ Economic, financial, and equity aspects of sustainability
- ❑ Structure, economics, and regulation of the water sector
- ❑ Rate design and affordability of utility services
- ❑ Interdisciplinary conceptual and analytical frameworks
- ❑ Curriculum development for continuing professional education
- ❑ Academic journal and research editing

PROFESSIONAL EXPERIENCE

PRINCIPAL, BEECHER POLICY RESEARCH (April 1998 to April 2002). Principal of an independent consulting firm with a mission to conduct high-quality policy research for the public and private sectors, provide policy data and decision-making tools, and promote sound public policymaking processes and informed public policy choices. Dr. Beecher conducted policy analysis, surveys, comparative studies, and social research related to public utilities, specializing in the structure and regulation of the water industry, water pricing and affordability, and integrated planning; advised and consulted with federal and state regulators and policymakers, professional associations, university researchers, consultants, and utility managers, and was actively involved in national associations related to regulatory and water utility issues.

SENIOR RESEARCH SCIENTIST AND DIRECTOR OF REGULATORY STUDIES. Center for Urban Policy and the Environment, School of Public and Environmental Affairs, Indiana University, Indianapolis, Indiana (April 1995 to June 1998). Principal investigator and analyst for research related to the structure and regulation of the water utility industry. Responsible for the program's research agenda, funding and development, and survey and clearinghouse functions.

ADJUNCT PROFESSOR. School of Public and Environmental Affairs, Indiana University, Indianapolis, Indiana (Aug. 1995 to June 1998). Taught graduate and undergraduate courses in public policy, including a course on privatization. Special adjunct faculty appointment at Southern Illinois University for a graduate student committee. Program faculty member of the Institute of Public Utilities, Michigan State University for water regulation.

SENIOR RESEARCH SPECIALIST. The National Regulatory Research Institute, The Ohio State University. Columbus, Ohio (Nov. 1988 to March 1995). Principal project manager and regulatory analyst for water utility research; assisted in setting the research agenda, funding and grant development, and external relations; member of the staff subcommittee of the National Association of Regulatory Utility Commissioners (NARUC) Water Committee; liaison to state commissioners and staff, federal agencies, university faculty, professional associations, and others interested in water utility and regulatory issues; organizer and moderator for the Water Policy Forum at the Biennial Regulatory Information Conference; and instructor for new commissioner tutorial and other educational programs. Recipient of the 1991 Board of Directors award for excellence; honored by a NARUC resolution in 1995.

ADJUNCT ASSOCIATE PROFESSOR. School of Public Policy and Management, The Ohio State University. Columbus, Ohio (Feb. 1994 to April 1995). Taught two graduate-level public policy courses, served as a faculty and research advisor to graduate students, sat on graduate student committees, and participated in faculty colloquia.

EXECUTIVE ASSISTANT TO THE CHAIRMAN. Illinois Commerce Commission. Chicago, Illinois (Nov. 1983 to Oct. 1988). Principal policy analyst, project coordinator, and advisor to the Chairman on administrative and legislative matters affecting the regulated industries; Chairman's liaison to other commissioners, agency managers, state and federal agencies, regulatory associations, the media, and the general public; authored policy memoranda and speeches.

ASSOCIATE INVESTIGATOR. Study of the Precision of Environmental Impact Assessment, funded by the National Science Foundation. Center for Urban Affairs & Policy Research, Northwestern University (1982-1983). Provided project management with primary responsibility for sample selection and coding, planned field research, interviewed knowledgeable informants and collected data, assisted in data management and statistical analysis, conducted an investigation of policy implementation and non-implementation, and coauthored *Forecasts and Environmental Decision Making*.

RESEARCH ASSOCIATE. Governmental Responses to Crime Project, funded by the National Institute of Justice. Center for Urban Affairs & Policy Research, Northwestern University (1980-1982). Interviewed knowledgeable informants, collected and managed data, and coauthored the final report on political responses to crime in American cities.

RESEARCH ASSOCIATE. Wind Energy Research Project, funded by the Solar Energy Research Institute. Center for Urban Affairs & Policy Research, Northwestern University (1980). Designed and conducted field research and coauthored the final research report.

RESEARCH ASSOCIATE. Illinois Sunset Review Project, funded by the Illinois General Assembly. Department of Political Science, University of Illinois at Chicago (1980). Researched federal impacts on state licensure and coauthored final report to the Illinois legislature.

TEACHING ASSISTANT. Department of Political Science, Northwestern University (1980). Courses in the American presidency and law and politics.
